

## **Establishment of National Standards**

### **IRAM Standards: “Solar Energy-Photovoltaic Modules”**

- *210013-1: Visual inspection*
- *210013-2: Electrical characteristics at standard test conditions*
- *210013-3: Insulation test*
- *210013-4: Robustness test of terminations*
- *210013-5: Twist test*
- *210013-6: Mechanical load test*
- *210013-7: U.V. exposure test*
- *210013-8: Hail resistance test*
- *210013-9: Thermal cycling test*
- *210013-10: Humidity freeze test*
- *210013-11: Damp heat test*
